Frequently asked questions

- **How do I qualify for the financial assistance program?**

We review your application, required income and asset documentation, and family size to determine if you qualify for a discount. Contact us with questions.

- **Whose income must be included with the application for financial assistance?**

If married, both spouses' incomes are included. Proof of separation required. If someone claims you on their tax return you must send in their income information as well.

- **Can I apply for financial assistance if I have insurance?**

Yes, the discount is applied after we receive payment from your insurance company.

- **Will my services qualify for a financial discount?**

Not all services are eligible for our financial assistance program. Some exclusions are cosmetic, elective, and not medically necessary services. Balances that would be paid by insurance like Medicare, Medicaid, automobile, worker's compensation, or liability insurance are also excluded.
